**Subject:** Medical Assistance on January 25, 2020

Good Morning Chief,

Last Saturday (25 January) I was working at the Tubac Car Show providing transportation assistance. In the afternoon while waiting in line for the shuttle, one of the show's guests collapsed. We immediately called for medical assistance. Within a short time a Tubac Ambulance arrived on scene. The Paramedics / EMTs were very efficient and courteous while providing assistance to the lady who collapsed as well as her husband.

Unfortunately I did not get the names of your staff who rendered this aid. As a member of the Santa Cruz Valley Car Nuts car club (who put on the show), a citizen of Rio Rico, and also as a board member of your neighboring district to the south, I would like to express my appreciation to those folks in your department. If you would be so kind as to pass on my thanks to these invaluable members of your staff.

Thanks,

M

Michael Carlson
