Subject: Fwd: Tubac Fire District Presentation from the SCVCC Meeting, November 8, 2021

Good Morning Chief Horvath

I was unable to attend the SCVCC meeting this past Monday, but I hear through the "Tubac Grapevine" that you provided our area residents with an excellent presentation and Q & A regarding Station 1 and TFD's needs. My husband, Gary, was in attendance and completely agreed! I have reviewed the presentation attached and also agree that you provided very thorough and useful information... Well Done & Thank You!

Most Sincerely,
